

SIGN UP - INDUSTRY 4.0 MASTERCLASS

Meet the best of the best and shape the future of industry

We invite you to get to know the winning projects from the **INDUSTRIE 4.0 AWARD** Hall of Fame in our new, internationally masterclass series - and to engage in a personal exchange of experiences with the winners about your digitalization/automation journey.

In each masterclass session, you will have the opportunity to learn more about the award-winning Industry 4.0 solutions from the project managers of the market-leading award-winning companies. Discover specific success factors that are driving transformation in industry – for example, in the use of AI/automation technologies or in communication and leadership.

MASTERCLASS OF INDUSTRIAL INNOVATION

Our webinar series starts on **September 4, 2025** with the winner in the “Integrated Automation” category, the **Alfred Kärcher SE & Co. KG**.

The sessions with the award winners **ams OSRAM** and **Robert Bosch GmbH** will follow in October and November. The focus here will be on the topics of “LLM models as assistants in production” and “Democratization of data”.

INDUSTRIE 4.0 AWARD: WINNERS WANTED

Take the opportunity this year to get your company into the **INDUSTRIE 4.0 AWARD** Hall of Fame. Simply present your industrial innovation to us in an interview or via our short application form **by June 30, 2025**.
